TRANSKAP

The image shows a long, grey semi-trailer parked on a gravel lot under a cloudy sky. The trailer features a large blue logo consisting of an anchor with the word 'TRANSKAP' in a bold, sans-serif font across its crossbar. The trailer has three axles with black tires. A white metal bumper is visible at the rear. The ground is wet and reflective, suggesting recent rain. In the background, a yellow truck is partially visible on the left, and a small sign is on the right.
